

IS OWNING A DREAM DINNERS FRANCHISE FOR ME?

Dream Dinners is more than a meal. We're about home and community, family and friends. We're about getting kids off to school or soccer, making time for PTA and church gatherings. Food and families lie at the heart of everything we do. From easy preparation to joyful participation, from a smiling face to a helping hand, we provide all the ingredients for a great meal.

A key ingredient in our company's success is selecting franchise owners who enthusiastically partner with us in making our vision of bringing hope to busy families a reality.

- ☐ Do I have an entrepreneurial spirit along with a serving heart?
- ☐ Do I enjoy the challenge of making a difference in my community?
- ☐ Am I willing to devote more than full time (up to 80 hours a week) into making this dream a reality?
- ☐ Am I a nurturing, loving, and patient individual?
- ☐ Can I motivate and train others for success?
- ☐ Can I lift 50 lbs — and be happy about it.
- ☐ Do I embrace the challenges and successes in owning my own business?
- ☐ Do I have the financial resources available to open a Dream Dinners franchise (approximately \$250,000 - \$350,000) and the skills to manage those finances efficiently?
- ☐ Do I like to eat and serve good, nutritious food with those that I care about?
- ☐ Do I feel comfortable speaking in front of a crowd?
- ☐ Am I inspired by others' happiness and making their lives better?
- ☐ Are you ready to join Dream Dinners family—a company founded on the mission of bringing families together around the dinner table?

If you can say “yes” to these attributes and you are committed to nurturing, family and community, good food, and making life a little bit easier, we invite you complete the Dream Dinners' Magic Wand application.

Best wishes,

Kim Pickard, Manager of Franchising
