Play with Your Food!

DREAM DINNERS.
HOMEMADE, MADE EASY

Have a little fun with these easy, themed dinner nights using what you already have in your home.

Cowboy Cookout

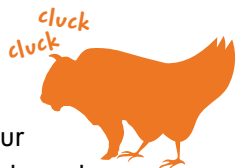

SERVE: Steak Caprese or Chicken and White Bean Chili with Corncakes

Howdy, partner! Pull-on your cowboy boots and plaid shirt and turn up the country music. It's time for a hoedown with bandana napkins and a red and white tablecloth. Each person can pick a trail-riding name to be called during dinner. Okay, Tex?

Wild Wildlife Safari

SERVE: Buffalo Chicken Cavatappi

On this wild wildlife safari, your family will discover new animal combinations never seen before! In your safari khakis and sunglasses, use paper placemats at each setting and crayons to draw a buffalo-chicken and other unlikely combinations of animals, like a hamster-lion or shark-rhino. Share your favorite combinations on Instagram tagging @dreamdinners and #30daysofdinner.

50's Diner

SERVE: Old Fashioned Meatloaf

Welcome to the sock hop! Slick back your hair or tie it up in a ponytail, it's time to twist and shout in your leather jacket or circle skirt and sneakers. Before dinner starts, play a round of musical chairs. When the music stops, you have your seat at the table.

Hawaiian Luau

SERVE: Grilled Mojo Steak with Pineapple Salsa or Sesame Crusted Mahi Mahi

Aloha! The dinner vibe for tonight is Hawaiian shirts and flip flops. Bring back the tastes of summer with fruity mocktails or pineapple lemonade complete with fresh fruit and umbrellas. And after dinner, see "how low can you go" with a game of limbo!

Chinese Takeout

SERVE: Surf and Turf Yakisoba Noodle Bowl or Simmered Chinese Chicken

Try your hand at eating dinner with chopsticks. No cheating with a fork!

For a fun twist on dessert, heat a fortune cook in the microwave for 20 seconds wrapped in a damp paper towel. Working quickly, you can open the cookie, remove the pre-made fortune, and insert personalized fortunes for each family member.
